Our event is the Butch Cassidy Festival held in July in Beaver Utah. This year marked our 14th annual event. Each year we attempt to provide a vast variety of entertainment for our guests. This year we were privileged to be able to present Hypnosis Southwest LLC, featuring Jay Pitcher. This is entertainment at it's finest! Jay's shows appeal to all ages and is just good fun. At our two day event, Jay entertained our guests with two shows each day. Because of the professionalism combined with the talent of Jay, I feel that Jay's shows are a welcome addition to any type of event.

Sincerely,
