Dear Jay

Thank you for doing your hypnosis show for our Christmas party. I don't know when the last time was that our employees and their families had that much fun or laughed that hard. It was nice to have entertainment that was fun for children and adults of all ages.

You are a true professional and I look forward to using your services in the future. Please feel free to use me as a reference and if I can ever do anything for you just let me know.

Sincerely

David Gourley
