Recommendation of Hypnosis Southwest LLC for entertainment,

I met Jay Pitcher when he was shopping in my store, Jay asked if I had arranged entertainment for my company Christmas party. After Jay told me what his one hour show consisted of, I thought it would be a great addition to my Christmas party.

Jay Pitcher's Hypnosis show was truly amazing! His show was professional and hilarious, it was a memorable experience for all who attended. Every one of my employees that attended this years Christmas party told me they had a great time, many asked if we could book Jay Pitcher for next years party.

I would recommend Jay Pitcher of Hypnosis Southwest LLC. for a personal or business party.
